District of the City of New York, Port of New York.

I, John Hedderwick Master of the S.S. Furnessia do solemnly, sincerely and truly swear that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York is a full and perfect list of all the Passengers taken on board the said vessel at Glasgow and Noville from which port said vessel has now arrived; and that on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage; and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates and causes of death of those who died; also of the pieces of baggage of each; also a true statement, so far as it can be ascertained, with reference to the intention of each alien passenger as to his protracted sojourn in this country. So help me God.

John Hedderwick Master of the S.S. Furnessia
John Hedderwick is Master, from Glasgow and Noville burthen tons.

District of the City of New York, Port of New York.

I, *John G. Cameron*, Master of the *S. S. "Adriatic"*, do solemnly, sincerely and truly that the following List or Manifest, subscribed by me, and now delivered by *John G. Cameron* to the Collector of the Customs of the Collection District of the City of New York, is a full and perfect list of all the passengers taken on board the said vessel at *Port of New York* from which port said vessel has now arrived; and that on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates and causes of death, and the names and ages of those who died; also of the pieces of baggage of each; also a true statement so far as it can be ascertained, with reference to the intention of each alien passenger as to a protracted sojourn in this country. So help me God.

Subscribed and sworn to before me this *October 13* 188*8*.
John G. Cameron
I, *David*, Notary Public in and for the City and County of New York, do hereby certify that the foregoing is a true and correct copy of the original List or Manifest of all the passengers taken on board the *S. I, *Andrea Canoneri* Master of the *S. F. INIZIATIVA*, do solemnly, sincerely and truly *swear* that the following list or Manifest, subscribed by me, and now delivered by me to the Collector of Customs of the Collection District of the City of New York, is a full and perfect list of all the passengers taken on board of the said *at Palermo* from which port said *ship* has now arrived; and that on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates and cause of death, and the names and ages of those who died; also, of the pieces of baggage of each; also a true statement so far as can be ascertained, with reference to the intention of each alien passenger, as to a protracted sojourn in this country.

Sworn to this 15 October, 1883,

So help me God.

Subscribed and sworn to before me this 15th day of October, 1883, at *Palermo* by the Master, from *Palermo* *barthen* *1294* tons *INIZIATIVA*, whereof *Canoneri*

I, C. L. I, Frederick Watkins Master of the St. City of New York do solemnly, sincerely, and truly swear that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York, is a full and perfect list of all the passengers taken on board the said vessel at Honolulu from which port said vessel has now arrived; and that on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates and causes of death, and the names and ages of those who died; also of the pieces of baggage of each; also a true statement, so far as it can be ascertained, with reference to the intention of each alien passenger as to a protracted sojourn in this country. So help me God.

Sworn to this 10th day of May 1888 before me Thos. Brown Notary Public for the City and County of New York. List of Passengers taken on board the St. City of New York is Master, from Honolulu burthen 188 tons

District of the City of New York, Port of New York.

I, Henry Parsell Master of the S.S. "Britannic" do solemnly, sincerely and truly affirm
that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York, is a
full and perfect list of all the passengers taken on board the said vessel at Liverpool & Queenstown from which port said vessel has now arrived; and that
on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the
country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who
have died on said voyage, and the dates and causes of death, and the names and ages of those who died; also of the pieces of baggage of each; also a true statement so
far as it can be ascertained, with reference to the intention of each alien passenger as to a protracted sojourn in this country. So help me God.

I, Henry Davison

Master of the British Steamship "Celtic" do solemnly, sincerely and truly affirm that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York, is a full and perfect list of all the passengers taken on board the said vessel at Liverpool & London from which port said vessel has now arrived; and that on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates and causes of death, and the names and ages of those who died; also of the pieces of baggage of each; also a true statement so far as can be ascertained, with reference to the intention of each alien passenger as to a protracted sojourn in this country. (12) PASSENGERS' LIST.
"The Passenger Act, 1882."

District of the City of New York, Port of New York.

I, Alfred F. Heeley Master of the S. S. "England" do solemnly, sincerely, and truly Swear
that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York, is a
full and perfect list of all the passengers taken on board the said vessel at Liverpool from which port said vessel has now arrived; and that
on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the
country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of the said passengers who
have died on said voyage, and the dates and causes of death, and the names and ages of those who died; also the pieces of baggage of each; also a true statement, so
far as it can be ascertained, with reference to the intention of each alien passenger as to a protracted sojourn in this country. So help me God.

Subscribed to this

District of the City of New York, Port of New York.

I, P. J. Irving Master of the Fernand do solemnly, sincerely and truly swear that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York, is a full and perfect list of all the passengers taken on board the said vessel at Port of New York from which port said vessel has now arrived; and that on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates and causes of death, and the names and ages of those who died; also of the pieces of baggage of each; also a true statement so far as it can be ascertained, with reference to the intention of each alien passenger as to a protracted sojourn in this country. So help me God.

I, Guy de Kersabiec Master of the French S.S. "LA NORMANDIE" do solemnly, sincerely and truly declare that the following List or Manifest subscribed by me, and now delivered by me to the Collector of Customs of the Collection District of the City of New York, is a full and perfect list of all the passengers taken on board of the said ship at Le Havre from which port said ship has now arrived; and that on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the voyage, the country of citizenship of each, and also the destination or location intended by each, and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates, and cause of death, and the names and ages of those who died; also, of the pieces of baggage of each, also a true statement, so far as can be ascertained, with reference to the intention of each alien passenger, as to a protracted sojourn in this country.

So help me God.

District of the City of New York, Port of New York.

I, \_\_\_\_\_ Master of the \_\_\_\_\_ do solemnly, sincerely and truly  
that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York, is a full  
and perfect list of all the passengers taken on board the said vessel at \_\_\_\_\_ from which port said vessel has now arrived; and that  
on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage,  
the country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who  
have died on said voyage, and the dates and causes of death, and the names and ages of those who died; also of the pieces of baggage of each; also a true statement, so  
far as it can be ascertained, with reference to the intention of each alien passenger as to a protracted sojourn in this country. So help me God.
